ItemDetails(1)

The screenshot displays a web-based application for item listing. At the top, there's a navigation bar with three colored dots (green, yellow, red) on the left, followed by the brand name 'JUALIN' in white. To the right of the brand name are links for 'Home', 'Category', 'Check-out', and 'History'. On the far right of the bar, there's a user profile icon showing a placeholder 'dio', the email 'dio@gmail.com', and a balance of 'Rp 12,200,000'. A prominent red 'Log out' button is also present.

The main content area is titled 'Item Details' in bold black text. Below the title is a large, high-resolution photograph of a modern city skyline during sunset or sunrise. In the foreground, a street lamp with a directional sign is visible, and a road sign indicates a one-way street. The central building in the photo is a tall skyscraper with a distinctive spire.

Below the image, the product details are listed:

- Samsung S55**
- Price: Rp2.500.000,00
- Description: Second hand item that has a 95% condition.
- Stock: 1
- Category: Electronics

ItemDetails (2)

The screenshot displays a mobile application interface for item details. At the top, there is a red header bar with three small circular icons. Below the header is a large, horizontal image of a city skyline during sunset or sunrise, with the sun visible between buildings. The main content area contains the following information:

Samsung S55
Price: Rp2.500.000,00
Description: Second hand item that has a 95% condition.
Stock: 1
Category: Electronics

Below this, there is a quantity selector with a minus button, a '1' in a blue box, and a plus button. Next is a blue 'Add to Cart' button with a shopping cart icon. Underneath the button are five small rating stars, with the fourth one highlighted in yellow. A scrollable list of reviews follows:

CheckoutPage

The image shows a screenshot of a web browser displaying a checkout page for an e-commerce platform named "JUALIN". The browser window has a red border and is positioned against a dark background with decorative wavy lines in the top corners.

The website header is blue and features the "JUALIN" logo on the left. On the right side of the header are navigation links: Home, Category, Check-out (which is highlighted in bold), and History. To the far right, there is a user profile icon with the name "dio", the email "dio@gmail.com", and a total balance of "Rp 12,200,000". A red "Log out" button is also present.

The main content area is titled "Checkout" and contains a section titled "Items in Cart". Inside this section, there is a product card for a "Samsung S55" smartphone. The card includes a thumbnail image of the phone, the product name, the price ("Price: 2500000"), and quantity controls (-, 1, +). Below the product card, the total amount is displayed as "Rp 2,500,000". At the bottom of the cart section is a blue "Proceed to Payment" button.
